BREAKING: FDA “Approves” Pfizer/BioNTech COVID-19 Vaccine (Behind Closed Doors).| The Truth About Cancer

The Truth About Cancer (<https://thetruthaboutcancer.com/>) | By **Ty & Charlene Bollinger** (<https://thetruthaboutcancer.com/breaking-fda-approves-pfizer-biontech-covid-19-vaccine-behind-closed-doors/>) – August 24, 2021

On Monday, August 23, 2021, the FDA “approved” Pfizer’s COVID-19 jab for 16 years and older – officially declaring it “safe and effective” – without even allowing public discussion or holding a formal advisory committee meeting to discuss data.

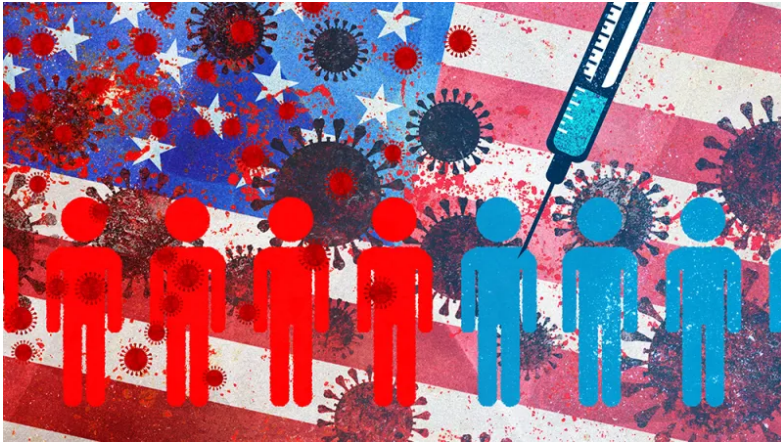

Despite the fact that the vaccinated people can still contract the virus, and despite the fact that the original safety trials aren’t scheduled to be completed until 2023, according to The Washington Post, this vaccine approval was the fastest in FDA history, coming less than four months after Pfizer/BioNTech filed for licensing in May.

BOMBSHELL testimony: COVID shot equals genocide and famous doctor slams government leadership for “following orders” | NaturalHealth365

by: Edit Lang, staff writer (<https://www.naturalhealth365.com/author/edit/>) | August 17, 2021

(NaturalHealth365 (<https://www.naturalhealth365.com/>)) It's been almost eighteen months since the government has suspended our lives, freedoms, and rights under the pretense of slowing the spread of COVID-19. Millions of Americans have willingly given up their God-given rights to breathe fresh air, gather with friends and family, practice religion, travel, and even more. The rights to bodily autonomy and informed consent have seemingly become a thing of the distant past as millions roll up their sleeves to take an experimental COVID shot – because they are told to do so.

Bill Gates falsely claims 95% of Covid deaths are non-vaccinated people, then warns about vaccine “misinformation” (opinion) | NaturalNews.com

Saturday, August 14, 2021 by: S.D. Wells (<https://www.naturalnews.com/author/sdwells>)

(Natural News (<https://www.naturalnews.com/>)) (Op-ed) Mega-rich, fake philanthropist Bill Gates has been exposed, through his own admissions on video, saying that he wants to rid the planet of a few billion people, so he's in damage control mode now, showing up on fake news everywhere trying to seem like a nice guy who cares. Recently divorced from Melinda, Bill the "pharma shill" Gates, has launched a campaign of disinformation about Covid vaccines, global warming and GMOs in food in order to fulfill his depopulation agenda. As of late, Bill Gates is blaming the unvaccinated for spreading death, instead of the deadly Covid-19 vaccines (<https://www.naturalnews.com/2021-07-26-canadian-doctor-warns-worst-yet-to-come.html>) he's funding and promoting so virulently with propaganda.

MEDICAL HORROR: Covid vaccines have now killed more people than the ATOMIC BOMB dropped on Hiroshima

VaccineDamage.News (<https://vaccinedamage.news/index.html>) – 08/09/2021 / By Mike Adams (<https://vaccinedamage.news/author/healthranger>).

The dropping of an atomic bomb on Hiroshima stands as one of the most heinous crimes against humanity ever committed. It was carried by the United States government, using a weapon of mass destruction against a civilian population consisting primarily of women and children. According to historical records, 135,000 people were killed by that bomb, with roughly half that many killed by the second bomb dropped on Nagasaki.

(<https://prepareforchange.net/2021/07/12/the-new-nuremberg-trials/#respond>)

Some of you have written to me asking more about

The New Nuremberg Trials that will soon be taking place.

All 10 of the Nuremberg Codes are being violated.

What????? Over 10,000 medical spokespeople worldwide are suing the CDC and the WHO.

Have you not not heard in the mainstream news,

about the three demonstrations which took place in past months, in Europe,

each having OVER ONE MILLION demonstrators,

protesting Nuremberg Code violations by their governments?

Why have we not read about this?????????

Could censorship, in addition to ongoing huge lies in our news media possibly be happening?

Please read below:
